WHO WE ARE

SALT RIVER FIREFIGHTERS, THE NATIONAL FALLEN FIREFIGHTERS FOUNDATION, AND SALT RIVER FIELDS AT TALKING STICK PROUDLY PRESENT THE 8th ANNUAL 9/11 MEMORIAL STAIR CLIMB SEPTEMBER 5, 2026.

Salt River Firefighters and Salt River Fields at Talking Stick have proudly partnered with the National Fallen Firefighters foundation to host this event. All proceeds will benefit the NFFF, the Salt River Firefighters Relief Fund, and provide assistance to families of our fallen brothers and sisters in the Public Safety community.

MISSION STATEMENT

“OUR MISSION IS TO HONOR AMERICA’S FALLEN FIRE HEROES; SUPPORT THEIR FAMILIES, COLLEAGUES, AND ORGANIZATIONS, AND WORK TO REDUCE PREVENTABLE FIREFIGHTER DEATH AND INJURY.”

- NATIONAL FALLEN FIREFIGHTERS FOUNDATION

ABOUT US

The 9/11 Memorial Stair Climb is a way to honor and remember the FDNY firefighters, police, and EMS who selflessly gave their lives so that others might live on 9-11-2001. Each participant pays tribute to an FDNY firefighter, police officer, or EMS by climbing the equivalent of the 110 stories of the World Trade Center. Your individual tribute not only remembers the sacrifice of an FDNY brother but symbolically completes their heroic journey to save others. Through firefighter and community participation, we can ensure that each of the 343 firefighters, 60 police officers, and 10 EMS are honored and that the world knows that we will never forget.

Opening ceremonies will include the posting of colors, a tribute video, the national anthem, and guest speakers. Each climber will be issued and symbolically carry a small photo of one of the first responders that were killed on 9-11-2001 at the World Trade Center Towers throughout their climb.

The Stair Climb benefits the FDNY CSU and programs provided by the NFFF to support the families of our nation's fallen firefighters, including firefighters and other public safety personnel from Arizona and surrounding states. Raffles will be held, and the proceeds will benefit the East Valley Firefighters Charities.
